Slides 175 - 177.

Whitewater, Wis.,  
Feb. 25, 1887  
Dear Alex,  
I just had a  
5 sleighride and a very  
good one too.  
Sleighbing is very good  
here in the city and  
I tell you it is nice  
10 to go sleighriding in  
the evening as I have  
done to-night.  
I wasn't all alone  
when I took my sleigh-  
15 ride to-night.  
The little boys here  
in school have a good  
deal of sport riding  
down hill.  
20 Our school is on a  
steep hill, and the boys  
start on top and go  
down like lightning.  
for about as far as  
25 from your house to  
grandpa's house; and  
on their way they have  
to cross a fence.  
The three lower boards  
30 are {kracked} off, and  
the upper board is  
left on; and the little  
boys say it is "just  
heaps of fun" to go  
35 under that board  
and see how high you  
can put your head  
without running  
your head against  
40 it.  
Some of the boys have

snow-shoes on which  
they slide down.  
If you hav'n't got any  
45 snow-shoes yet, you  
must make yourself  
some for the {r}e the can  
be got out of it a  
great deal of fun.  
50 How are you getting  
along in school?  
I hope you are having  
a go time in school.  
55 {I} suppose Sarah is  
getting the prizes  
always yet, and you  
are always spelled  
down "dat mann  
imma so wigt"  
60 I am in the same  
condition that you  
are in, they are always  
spelling me down "dat  
imma so rocht un damp"  
65 Now it is nine o'clock,  
and I have to hitch  
up the horse and get  
Miss Cook home, she went  
70 to a party.  
To-morrow is Saturday,  
and then I have  
to split some wood.  
I have to stop; and  
75 I hope to hear from  
you soon again.  
I received your letter,  
+ also the pretty valen—  
tine.  
80 Have you received many  
this year?  
Your uncle,  
Henry Krueger.
