Slides 429 - 430.

Milwaukee, Wis.,
July 16, 1915.

Dear Alex,

5 Your parents came in yesterday afternoon.
This morning we went to see Dr. Bach.
Dr. Bach examined your father's eyes. He
10 said that a cataract was on his right
eye and another cataract is forming on
his left eyes. In a short time he can't
see on his left eye either.
The cataract on his right eye can
15 be removed and then he can see as
well as ever.
We went to St. Mary's Hospital and
engaged a room for a week. Your
father's ^{eye} will be operated upon at
20 7:30 o'clock to-morrow morning.
Then he has to stay in bed for a
day. After that he can sit up and
walk about.
This afternoon we will take him to
25 the hospital in our automobile.
We went out riding yesterday
after supper with your parents.
I will write you again
after the operation.
30 Your uncle,
Henry Krueger.
